FOR  
VISUAL ARTISTS, INC.**

**Application Form**

*Application Deadline: January 15, 2005*

# The Fulton Ross Fund for Visual Artists, Inc.

## Scholarship Application Form

Please consult *The Fulton Ross Fund for Visual Artists Guidelines Brochure* prior to completing the application to ensure eligibility. The Fulton Ross Fund for Visual Artists will evaluate your application based on the following:

- Cover Letter

A cover letter stating the specific purpose (professional and personal) for which you require funds. Indicate how the funds you seek will be used to advance your artistic career as a professional artist. The letter and other materials must be typed or replicated using a computer.

- Application Form

Complete the attached application form. Photocopy your completed form for your records.

- Slides

Enclose ten (10) 35 mm slides of your current work in 2 x 2 (5.1 x 5.1 cm) mounts for carousel projection. Do not submit glass mounted slides. *Photographs and/or original works of art will not be accepted.* Each slide must be identified with your name, year work was executed, title, dimensions and medium used. Be sure to indicate top, as well as left and right sides for viewing purposes. Your slides will be returned to you after they have been reviewed and a decision made on your application. **The Fulton Ross Fund for Visual Artists will make every effort to return your materials safely, however we cannot be responsible for loss, damage or misplacement.** It is recommended that while representative examples of your work over a period of years may be included, it is important to emphasize your most creative effort. The selection process is competitive. Applicants are urged to send the highest quality slides of their work.

- Resume/Curriculum Vitae

Include a current resume or curriculum vitae listing your exhibition record, grants, awards and other professional activities, including dates.

- Mailing Instructions

Send your scholarship application and required supporting materials to the Fulton Ross Fund for Visual Artists at the address on the back cover.

The Fulton Ross Fund for Visual Artists reserves the right to verify all information provided by the applicant. It is important that you answer each question completely and accurately.

If you are awarded this grant, the Fulton Ross Fund for Visual Artists requires a report on the use of funds. Your documentation of the use of the grant is a critical part of the process.
